What was  
today will  
soon be  
yesterday  
As the past  
slowly fades  
from sight,

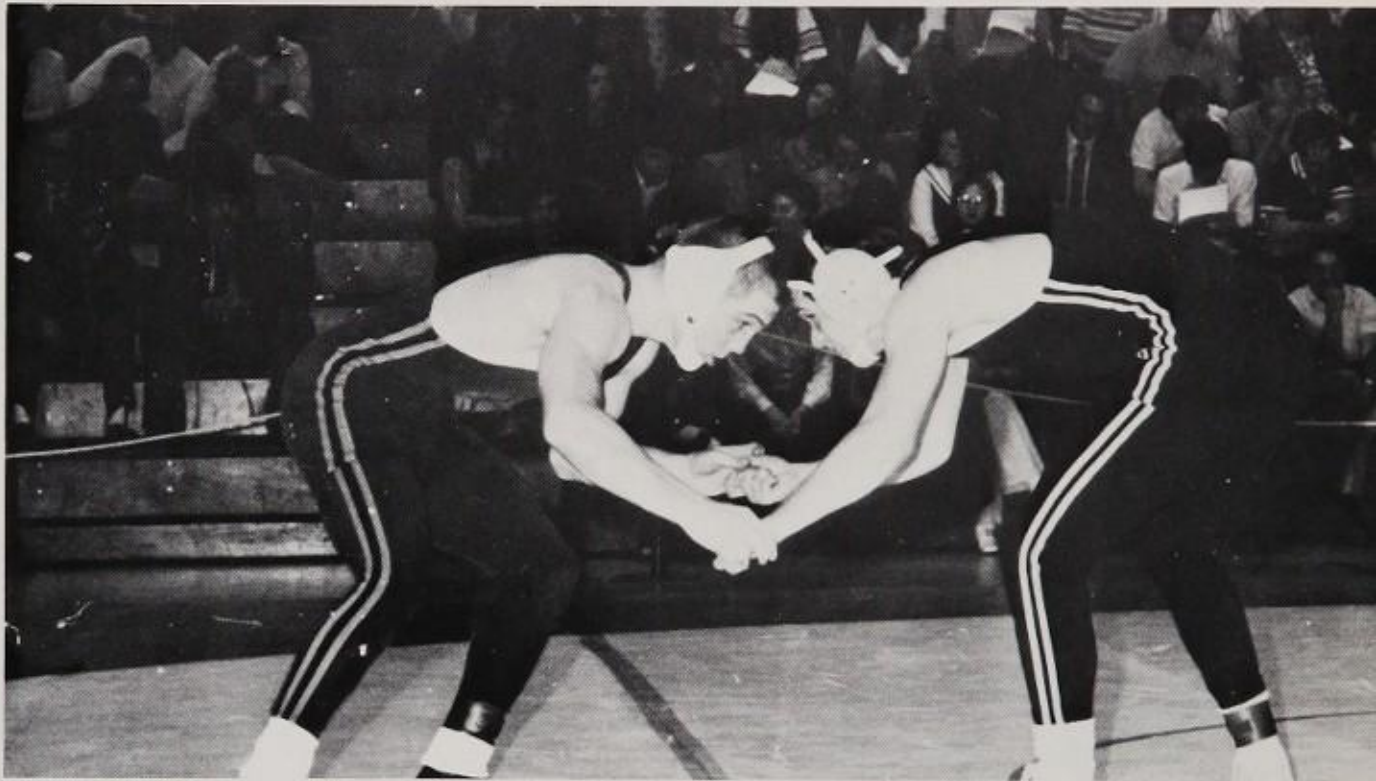

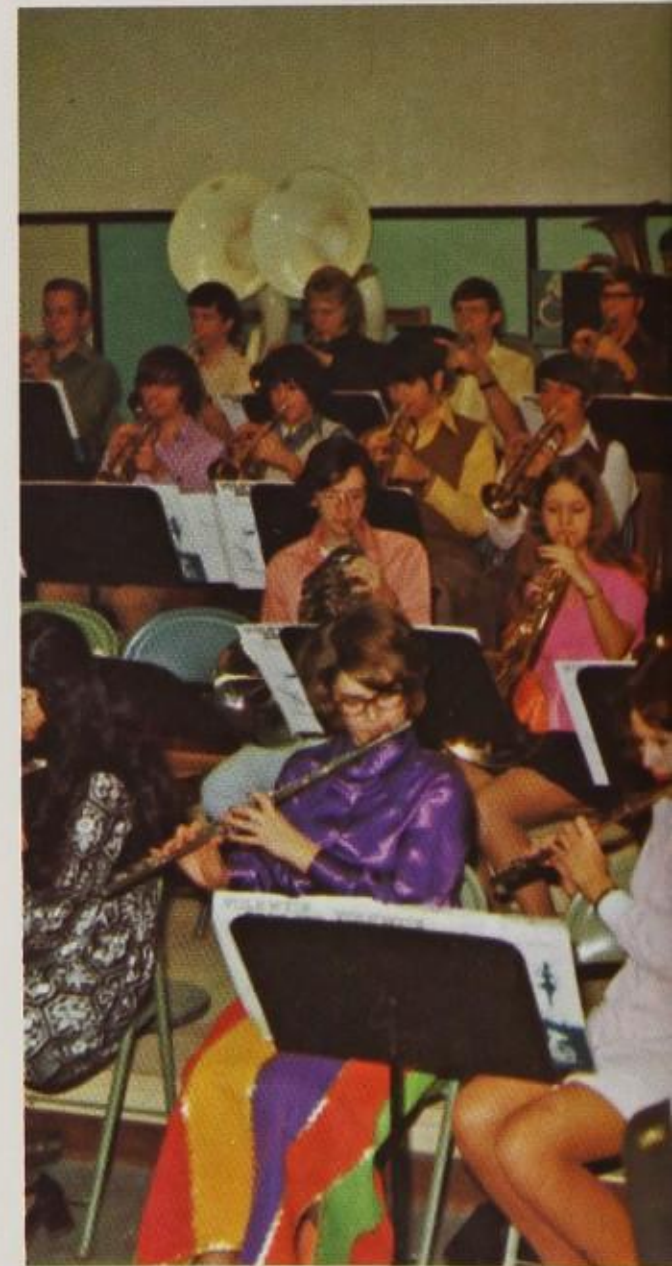

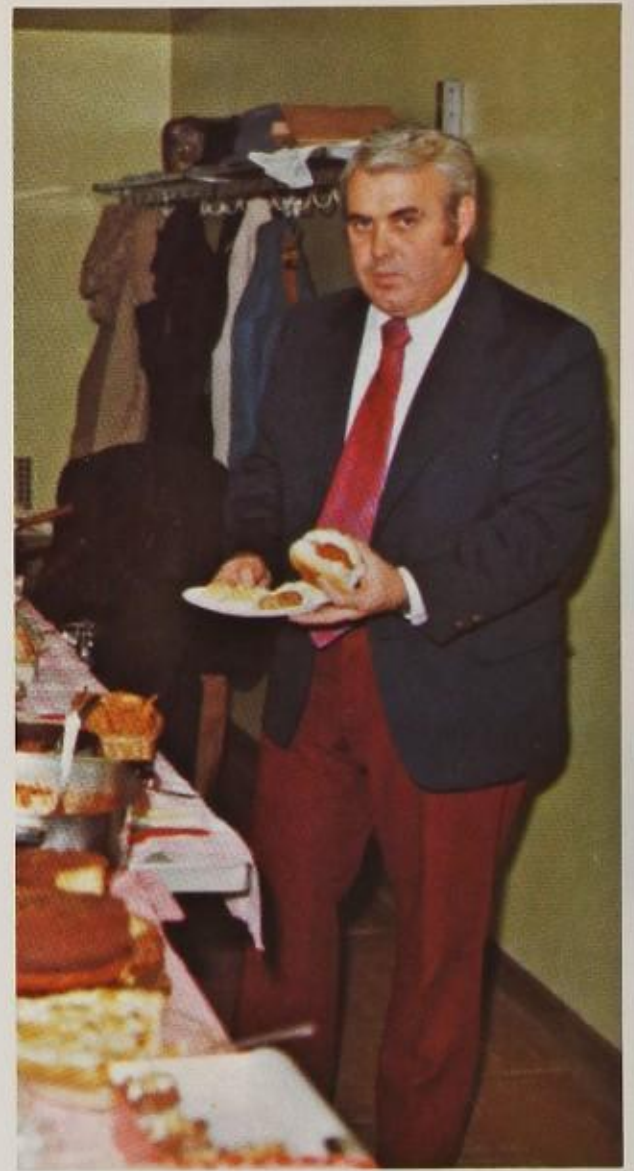

And what is tomorrow will soon be today  
For the changing times are within our sight

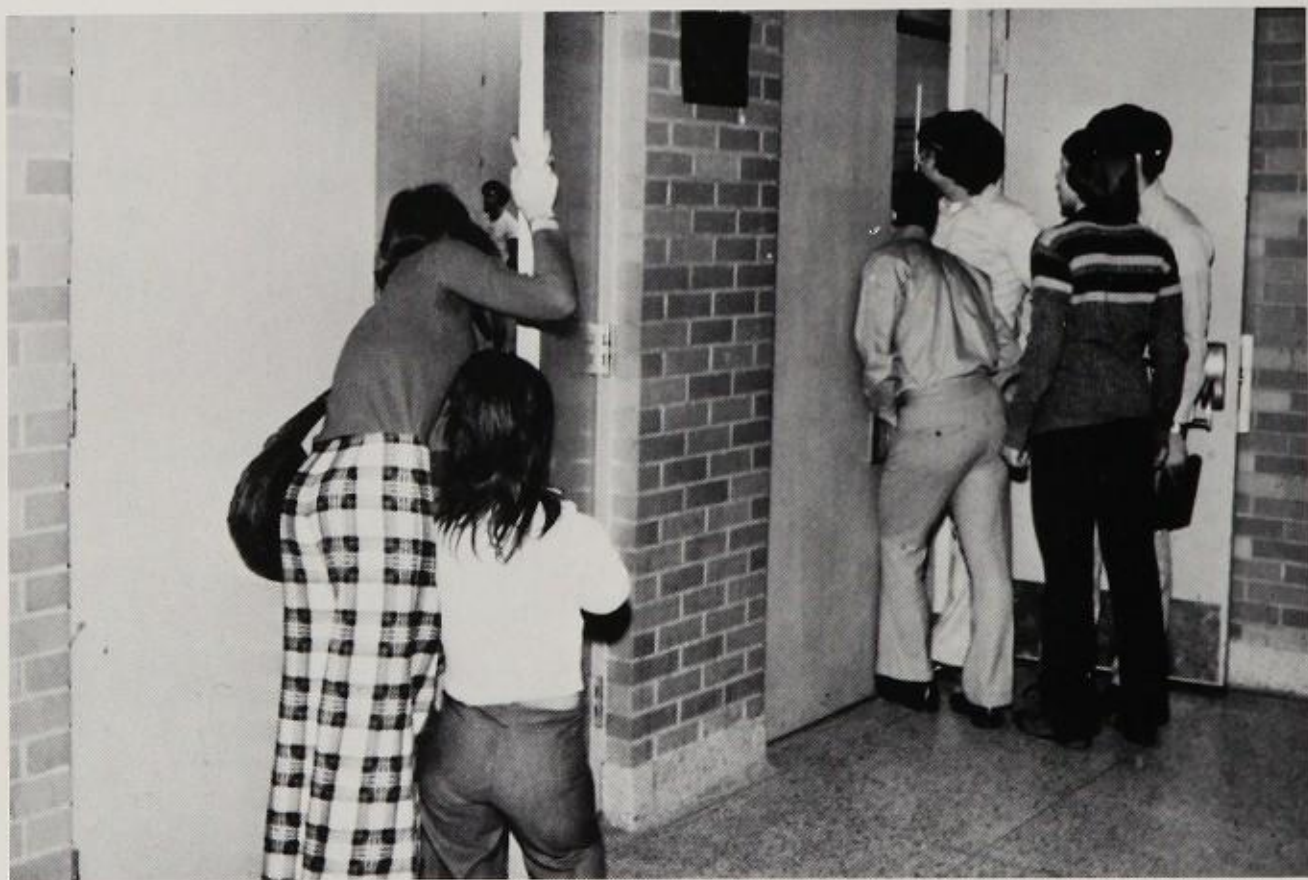

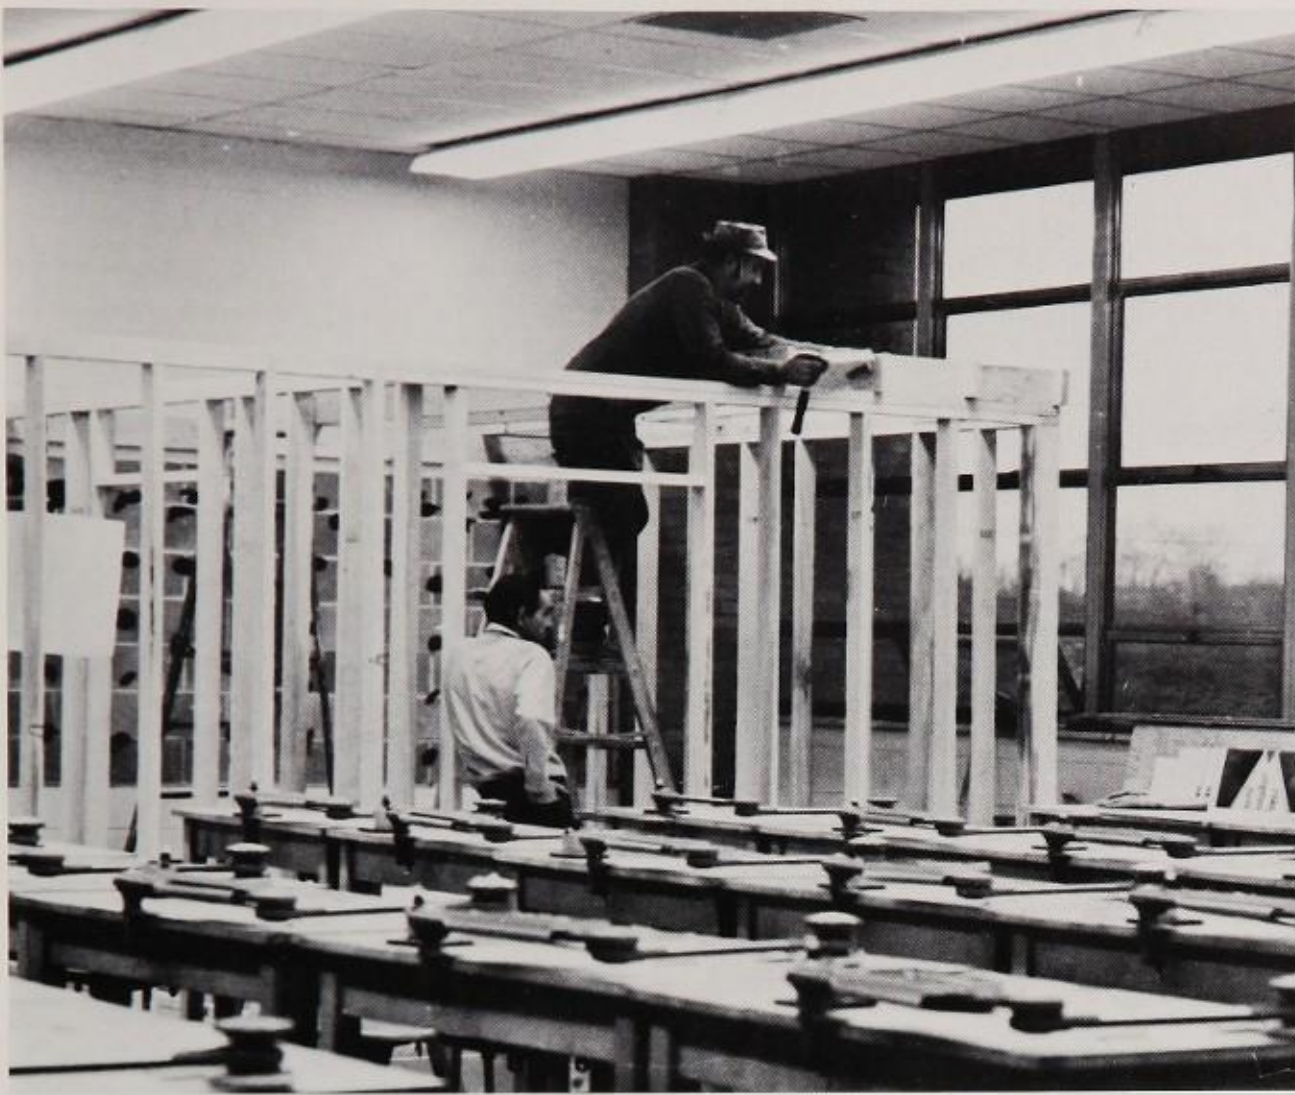

As we float through time and space . . .

will not  
stand still,

For we are part of the never-  
ending times . . .

And we, ourselves  
can change  
the world at  
will.

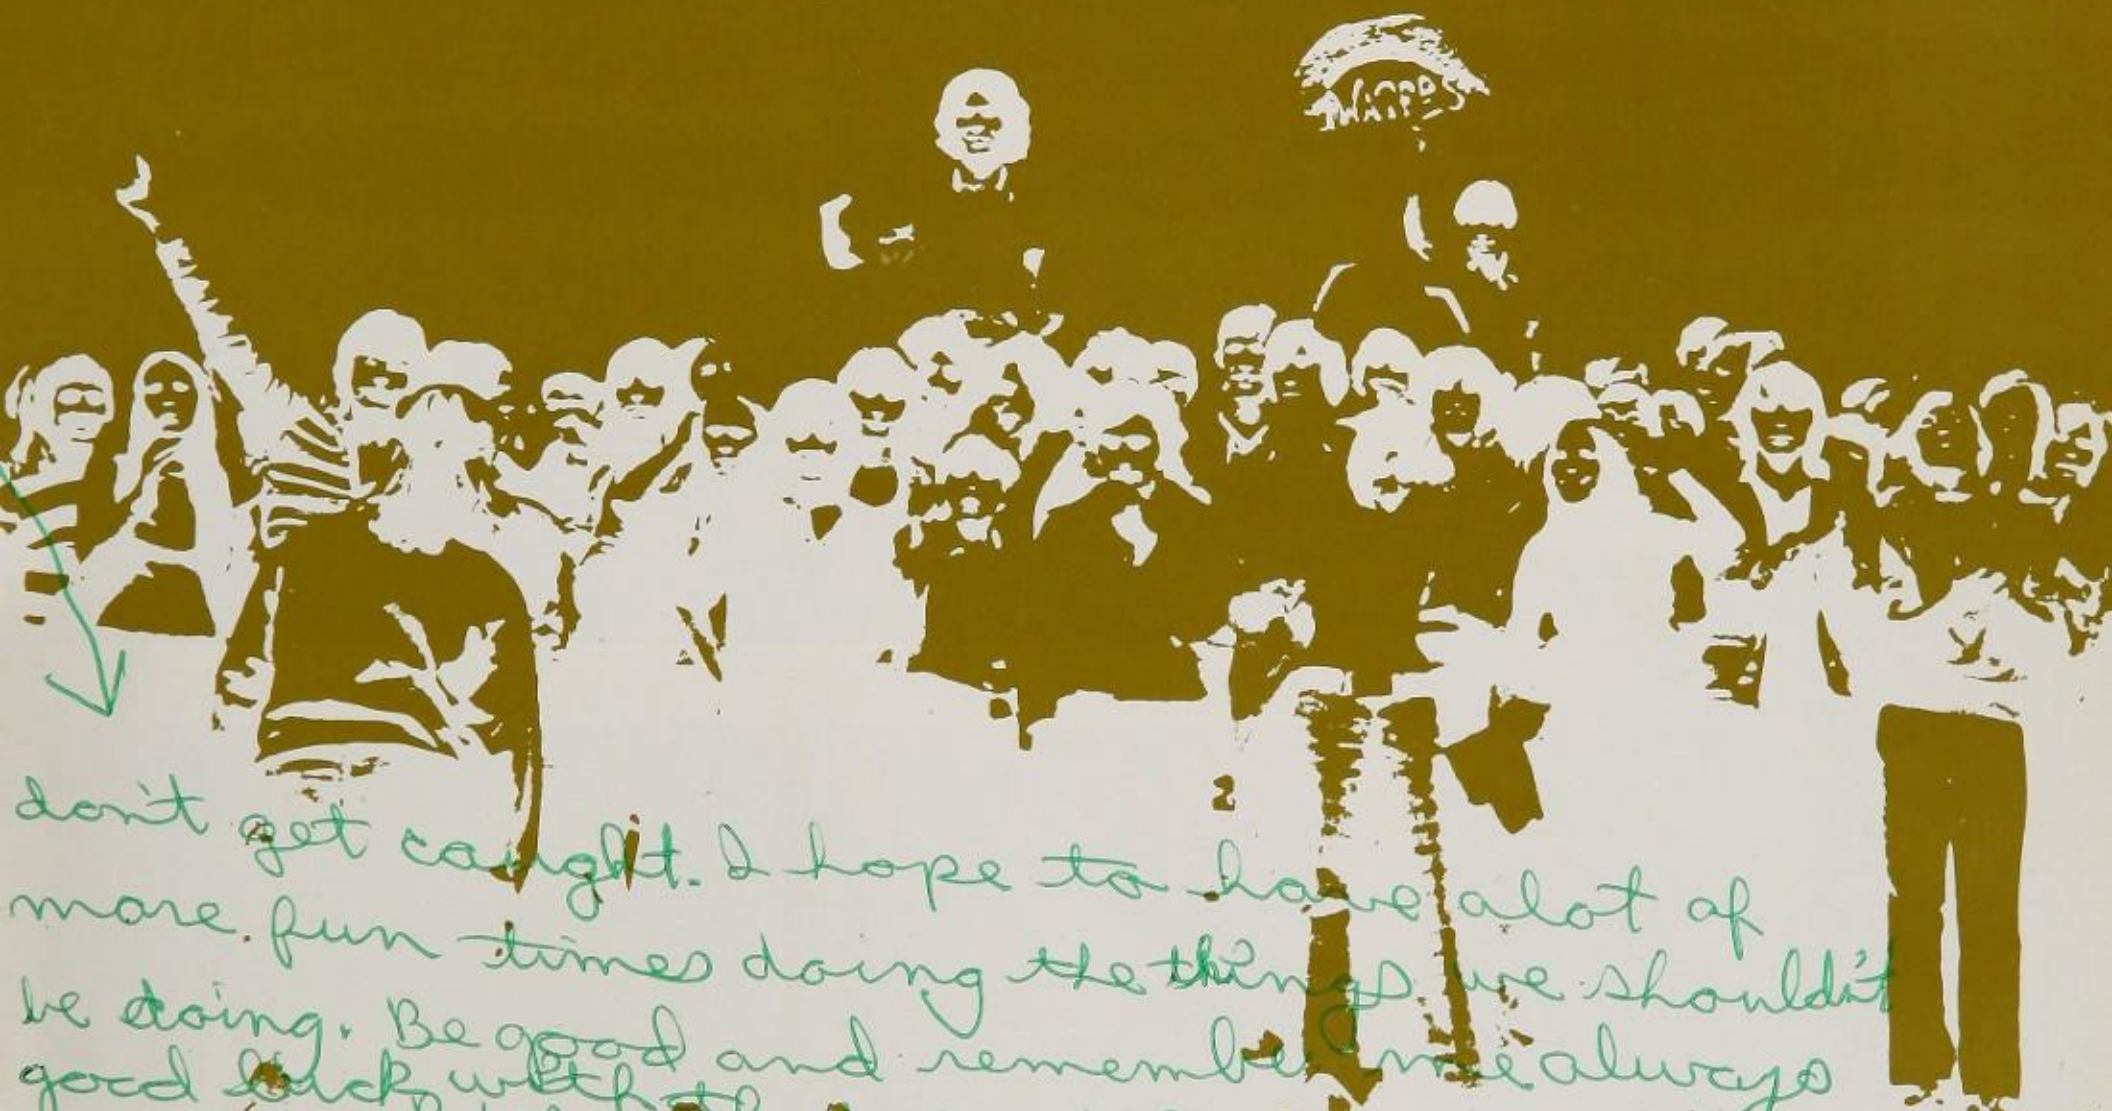

Marcia,

To a really cool chick I just met down Burger  
ring this summer. Remember some of the good  
times we had at the hole and the Burnt down  
house. How's about the time your parents went  
away and nothing worked out. And the time my  
parents went away in the summer and you went  
out with Jack that night. That's one night I could  
have beat the shit out of you for not coming over  
to get me, Remember all the times we ~~had~~ spending  
this summer. Well I could go on forever talking  
about the bad things we've done together, all I  
have to say is watch what you're doing and.

don't get caught. I hope to have alot of  
more fun times doing the things we shouldnt  
be doing. Be good and remember me always  
good luck with that special someone

## Seniors Celebrate

### HOMECOMING ASSEMBLY

The excitement which had been growing for weeks was finally brought to a climax as the seniors entered the auditorium for the beginning of the Homecoming Assembly. The anticipation grew as they awaited the 1972 Homecoming court. The Court entered escorted by Senior football players. 1971 queen, Marina Girata entered escorted by Gary Ciccone, followed by this years (1972) queen, Estelle Kakias. Once on stage the ceremonies began by the crowning of Queen Estelle. Senior Vicky Smalley sang a solo, "My Cherie Amour," and congratulatory speeches were given by Gary Ciccone, class president; Mr. Hrubovcak, class sponsor; and Mr. Waters, principal. The speeches were followed by salutes to the Queen and her court by; Majorettes, Vikingettes, cheerleaders, pep club, and Junior and Sophomore classes.

Sceptor bearer Joyce Fiejdasz escorted by Dan Rains and Mike Harmotto. **Bottom:** Queen Estelle and the Homecoming Court. **Bottom Right:** Tony Dorsett and Jeff Ferezan escort the queen.

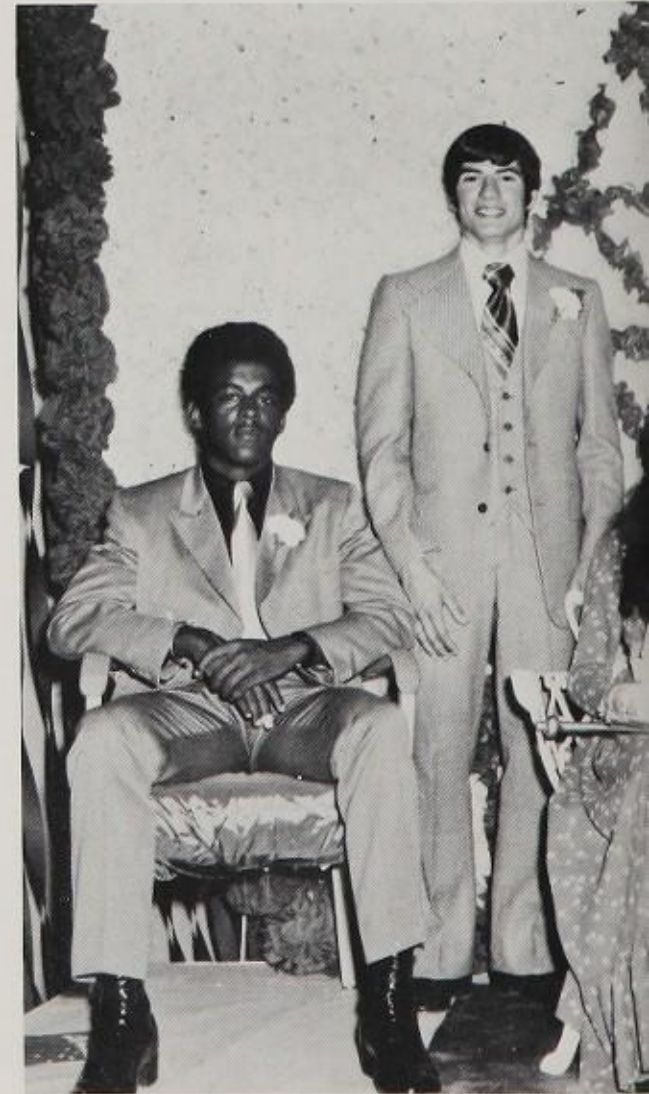

## Only the Beginning!

Senior Weekend got underway Friday night as the parade began. Excitement filled the air as the parade made its way around the Hopewell Shopping Center. Entertainment by the majorettes and Vikingettes added color as the crowd listened to the beat of the Junior and Senior High bands. The court and their escorts followed behind in cars, while Queen Estelle rode on the Senior Class Float, this year, which was enjoyed by all. The parade ended at the school just in time for the bonfire. The fire was lit and as the flames reached toward the sky, a pep rally began with the cheerleaders keeping a victorious mood in the air as they led cheers in honor of the game to be

played the next day against Aliquippa.

The night ended at the social with everyone jamming to the music of Hash Wednesday.

## A Viking Victory a Wonderful Weekend

On Saturday, the Court and Class of 1973 were honored at the pre-game show. Topping off the day, an exciting football clash took place between Hopewell and Aliquippa with Hopewell proving victorious by a score of 26 to 12. The event that was the perfect ending for the perfect weekend came at the Senior Party, which was held at (Kranian) Club. The Class of 1973 celebrated by dancing to the sound of the "Three Vivers Blues Band."

# Donkey Basketball Comes to Hopewell

Donkey basketball made it's way into Hopewell's gym and into the hearts of it's fans. The evening was filled with fun and laughter as the donkeys stole the show leaving their riders with a number of bumps and bruises. Senior guys were the victors as they defeated the teachers with a score of 12-10.

## A Greeting Card Christmas

The pictures on this page depict only a small portion of the "Greeting Card" Christmas program presented by the chorus during the holiday season. The songs provided insight and inspiration to all those who listened at the assembly or at the concert. Both were presented under the direction of Mrs. Gardener.

## Leaders Club Dinner Dance

St. Patrick's Day was the theme for the annual Leaders Club Dinner Dance held at the Willows in Industry, Pa. Twenty-five couples attended and enjoyed an evening of fine food and company which was topped off by dancing to the music of "Icane-

clast."

**Above:** Pam Arnold and Don Swan await the dinner while talking with Joan Parker and Jeff Anderson. **Left:** Debbie Katus and Dennis Anderson enjoy a cozy moment. **Below:** Carolyn Pollack and Joe Durinsky move to the beat.

## Leader's Club — Gym Team Annual Show

The Leader's Club and the Gym Team held their annual spring show early this year. After many hours of hard work, and long nights after school, they perfected their routines until they had them "down pat." The night of the show was a huge success and the girls had every reason to be quite proud.

## Seniors Do It Again!

The juniors and seniors both entered the gym to the sound of the Olympic song, and with a team effort combined with class spirit, the victorious Seniors left the gym singing the same tune. Most of the events ended with close scores, and a winner was hard to predict. Members of the Junior and Senior teams displayed talent in events such as ping-pong, bowling, badminton, and even in the 3-legged race, balloon blow-up, scooter race, and toilet paper race. The score was tied with only one event left; the tug-of-war in which the Seniors proved to be the stronger of the two teams and thus became the champs of 1973.

## Athletes Honored

At an assembly in May, the athletes of various sports were presented awards for their outstanding achievement and dedication throughout the past year. The coaches presented trophies, certificates, and letters to the boys who participated in wrestling, track, baseball, cross country, golf, basketball, and volleyball. The faculty, administration and student body wish to extend their recognition and thanks to these students who have contributed to Hopewell's excellent sports program.

## Stage Band Is # 1

In May, Hopewell High School proudly hosted the Foodland Music Festival which featured stage bands from six area high schools. The music ranged from jazz to hard rock, and Hopewell grad Carl Dito's version of "2001" had the audience moving. Hopewell copped top honors making the evening quite worthwhile.

## Before the Dream

The Junior Class had all the plans written down on paper, but the prom did not become a reality until after weeks of hard work after school, in the evenings, and during the days prior to the big event. After endless debating, the murals, backgrounds, and the **ceiling** went up, and the Threshold of a Dream became more than a dream . . . it was real!!!

The Hopewell Drama classes were proud to present their interpretation of "Peter Pan" under the direction of Mr. Fred Thomas and Miss Roberta Knox as Associate Director. The production was given on March 24, 1973 with both matinee and evening performances. Musical selections including the theme song, "I'm Flying," were sung by members of the cast. Both performances were enjoyed by all ages but was a special treat for the young at heart.

## N.H.S. Inducts Forty-eight Members

Forty-eight students became members of the National Honor Society at the induction ceremonies on April 26. President Charles Somerville was in charge of the proceedings. Speeches were given by Terry Trembath, Rob-

ert Sutherland, Kathy Lolly, and Gloria Przywara. Mr. Waters administered the oath to the new inductees. A tea for new members, their parents, the faculty, and old members was held in the cafeteria following

the assembly.

## Seniors Honored

On May 2, outstanding seniors were honored by the school board, faculty, and their parents at the annual Honors Banquet in the school cafeteria. After dinner, which was served by the newly inducted members of the N.H.S., various speeches were presented. Letters and certificates of achievement were given to the students.

**Top:** Students and family await the arrival of the first course. **Bottom Left:** Michelle Delizio, Student Council President, speaks to the group. **Bottom Right:** Janice Santilli smiles after receiving her award.

## Baccalaureate — May 27, 1973

Baccalaureate services for the class of 1973 were held Sunday evening, May 27 in the auditorium. The invocation and benediction were read by Reverend John Hicks and the address was given by Reverend Glenn B. Jenks, Jr. Two musical selections were presented by the chorus under the direction of Mrs. Gardner. Seniors John Hoffacker and Debra Mrkich each used their musical talents to make the service more meaningful to everyone.

# Majorettes Win First Place Award

Long hours of hard practice paid off for the 72-73 Majorettes as they twirled to routines such as "Get It On," and "Son of a Preacher Man." Head Isabel Ross and junior Joan Parker attended camp and brought back many unique ideas. Those ideas helped the Majorettes to win first place at the Majorette portion of the First annual Half Time Contest at the Beaver Valley Mall.

# Checkmate — the Name of the Game

Promoting an active interest in the game of chess is the main purpose of the Hopewell High School Chess Club. Club activities this year included two playdays, participating in the Beaver Falls, Bergettstown, Pittsburgh Interscholastic, and the Pennsylvania State Chess Tournaments. The club has a team of six members which competes in ten interscholastic matches with area schools.

# A Good Salesperson Is . . .

Students who have the desire and initiative to "learn and earn" can do so by becoming a part of D.E.C.A. Courses teach students the basics of good salesmanship where they learn the customer is always number one. They also are taught to be a conscientious consumer. These ideas are put into practice as students use their afternoons to work at various jobs in the community.

# Preparation in Medicine and Nursing

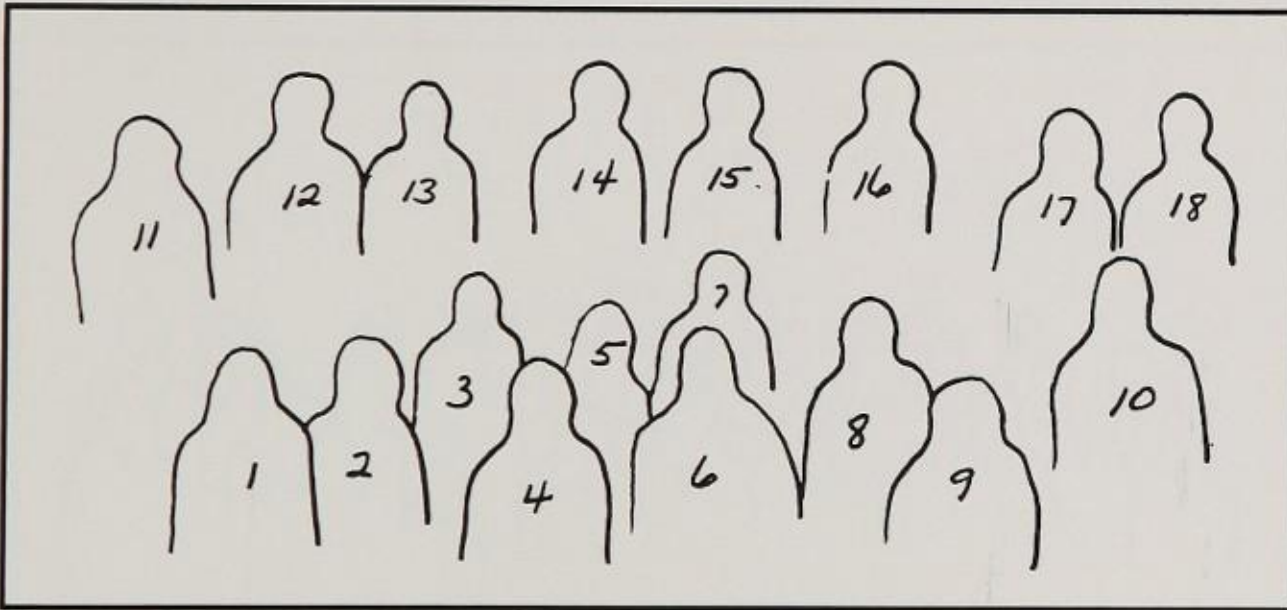

Under the supervision of Mrs. Kathleen M. Johnston R.N., students who wish to enter the areas of nursing and medicine learn what is expected of them in the health careers. Club members make hospital visitations and can prepare for Candy Striping at local hospitals. The group also engages in projects for the needy and conduct a candy sale for the annual nursing scholarship. Various people from hospitals and government services also speak to the group.

# FTA Examines the Teaching Profession

Students who wish to enter into the teaching field receive valuable experience in joining the FTA. By working as teachers aides and visiting colleges, students get first hand training and on the spot observation of the duties and obligations of a teacher. The club sponsored a Christmas Party for the children of faculty members and saved labels for the benefit of UNICEF.

## Leaders Learn the Ropes in P.E.

The Leaders gained a new sponsor and continued to function as aids in the physical education classes.

To begin the year, the Leaders sold mums for the football games and sold ads and patrons for the basketball programs. The annual Dinner Dance, Olympic Games, Spring Show, and Mother-Daughter Banquet helped to round out a very busy year.

# The Exact Science

Math is known as the exact science, and members of the Math Club seek to understand the reasons why. Members also have a chance to join Mu Alpha Theta — a national math organization for high schools and junior colleges. The club sponsored a Christmas playday, the National Math Test and its annual slide rule contest. Field trips to the P.T.L. and computer center of the CCBC were offered to interested students.

# Patriotism Through the ROTC

The Air Force Junior Reserve Officers Training Corps helps to encourage a patriotic spirit throughout the school in a variety of ways. The Cadet Club serves as Color Guard for many local functions. They march in local parades as a unit representing Hopewell High as well as the United States Air Force, and are responsible for the proper display of the flag and flag raising ceremonies at all outdoor athletic events. The club also takes many field trips to further their knowledge in the areas of aerospace education.

Hopewell Student Council is the link between the student body and the administration. The council sponsored various activities during the year including the annual semi-formal which was held at Villa's. Another project of the council was the controversial survey of the final exam situation. By working together, those students elected as council representatives have their first taste of working within a system to achieve their goals.

# Die Junge Deutsche Gesellschaft

The German Club, under the direction of Mr. Wurm, promotes the German language and culture as well as broadening their own knowledge. The club boasts a soccer team which competes with other high schools in the area. They are members of the NFSG (National Federation of Students of German) and participate in it's Western Pennsylvania and national conventions. They also participated in the International language banquet with other language groups. Some students traveled to Germany during the summer for a month to further their understanding of Germany and it's people.

# Latin Lives at Hopewell

Latin may be considered a dead language but these students who opted to take Latin have kept Roman traditions alive at Hopewell. The Latin Club began it's year with initiation and continued its activities by holding a swimming party, a social, Latin banquet, and ice skating party. Latin students also entered the Buhl Planetarium Latin Festival and succeeded in bringing back many awards.

# Brought to You by the Hopewell Weather Service

Each morning students are advised of present weather conditions and given the daily forecast by the Hopewell Weather Service. Working in the L.G.I.A., members are able to record temperature, wind speed, wind direction, and barometer readings, as well as checking cloud coverage and precipitation. As a fund raising project, the club held a shirt sale this year.

# Artists Come in Many Designs

The Scarab Club is composed of students who display outstanding ability in any or all of the various art forms. The club participates in many special activities during the year to promote interest in the art field. Each year the club is responsible for decorating the school for Christmas, and sponsoring the annual "Decorate Your Home-room Door Contest." Near the close of the school year, Seniors conduct a series of one-man art shows in the display-exhibit cases in the halls. A \$200 scholarship is awarded annually to a deserving Senior going into the field of art.

# Reporting the News — Shades of Blue

Under the supervision of Miss Kendrella, the Shades of Blue completed another successful year and provided students with up to the date news concerning important events, clubs, sports, and gossip. Long hours paid off as the reporting, editorials, and features improved in both quality and quantity, as the Shades of Blue continued to meet the needs of the students.

## F.S.A. Becomes Nationally Affiliated

This year the Future Secretaries of America became a part of a National organization, the F.B.L.A. As projects, the group made favors for Halloween and Christmas which were given to various hospitals. Selling candy helped to raise funds for a dinner at La Monte and a picnic. Educational field trips were also taken to various business schools in the area.

## Something New . . . Viking Bookstore

Students at Hopewell were given an opportunity to operate and shop in a college-style bookstore under the direction of Mrs. Finnerty and Mr. Longo this year. The store sells everything from coughdrops to paperbacks as well as club projects. Students work voluntarily during study halls and lunch periods and have all the responsibilities of a regular paid salesperson. Profits will be placed in the activities fund of the school.

## J.V.'s Build for '74

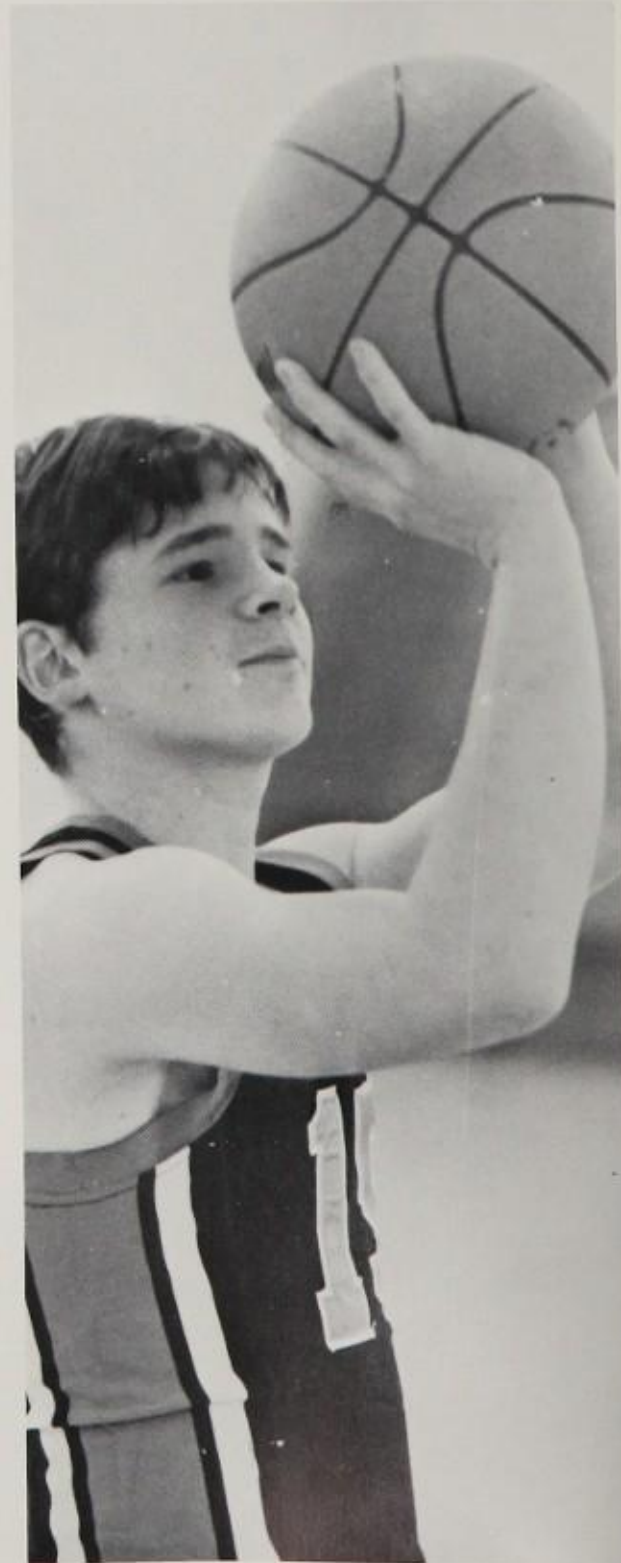

The 1973 Junior Varsity team, under the direction of Coach Bill Lechman put up a hard fight against the stiff competition. The boys started practice early to get in shape for 1974 when they hope to become Varsity team members. With the show the Junior Varsity put on for Hopewell this year, we can look to 1974 for a successful season.

## Sports During the Year

**ALL AMERICAN** — defined in Webster's dictionary as a hypothetical football team made up of the high school players voted the **BEST OF THE YEAR** in the United States. That honor has come to our own Anthony "The Hawk" Dorsett. Not too many high schools in our great country are able to say that one of their own has been selected as such, yet we here at Hopewell for the past three years have had this young man on our football team. During that time "Hawk," because of his ability, coupled with the teammates that made some of his exploits possible, scored 42 touchdowns, rushed for 2,272 yards, and was a team leader in every way it could be measured. He made High School All American on the Parade Magazine, Scholastic Magazine, Coach and Athlete Magazine selections, as well as being picked as All State by both the Associated Press and United Press for both of his Junior and Senior years. A list of other honorary selections has been compiled and all of us are aware of the fact that we are glad we had "The Hawk" here at Hopewell. Recently, Coach Johnny Majors of the University of Pittsburgh stated the "Pitt's football fortunes are looking up since the successful recruitment of Tony Dorsett." The Hawk is not just a football player; he is an average student, a person with his own ideas about a lot of things and very thankful to a fine High School Coaching Staff who have done the hard work towards the making of an All American.

We of the Viking Yearbook Staff are of the opinion that Anthony Dorsett, along with his extraordinary athletic talents, and with the help of one of our best football teams ever at Hopewell will long be remembered as the greatest ever to play at our school.

The 1973 Track Team of Hopewell under the supervision of Mr. Mike Zaccari and Mr. Dennis Potter had a very successful season. With the help of their returning lettermen, the team was able to set even more outstanding records.

# Baseball Team Keeps on Hitting

Although the spring promised a good season for our returning champs, luck went against us. Even with the extensive practice that our team went through, they didn't seem to be able to get going. However, the returning lettermen did add some spice to the season.

CLASS

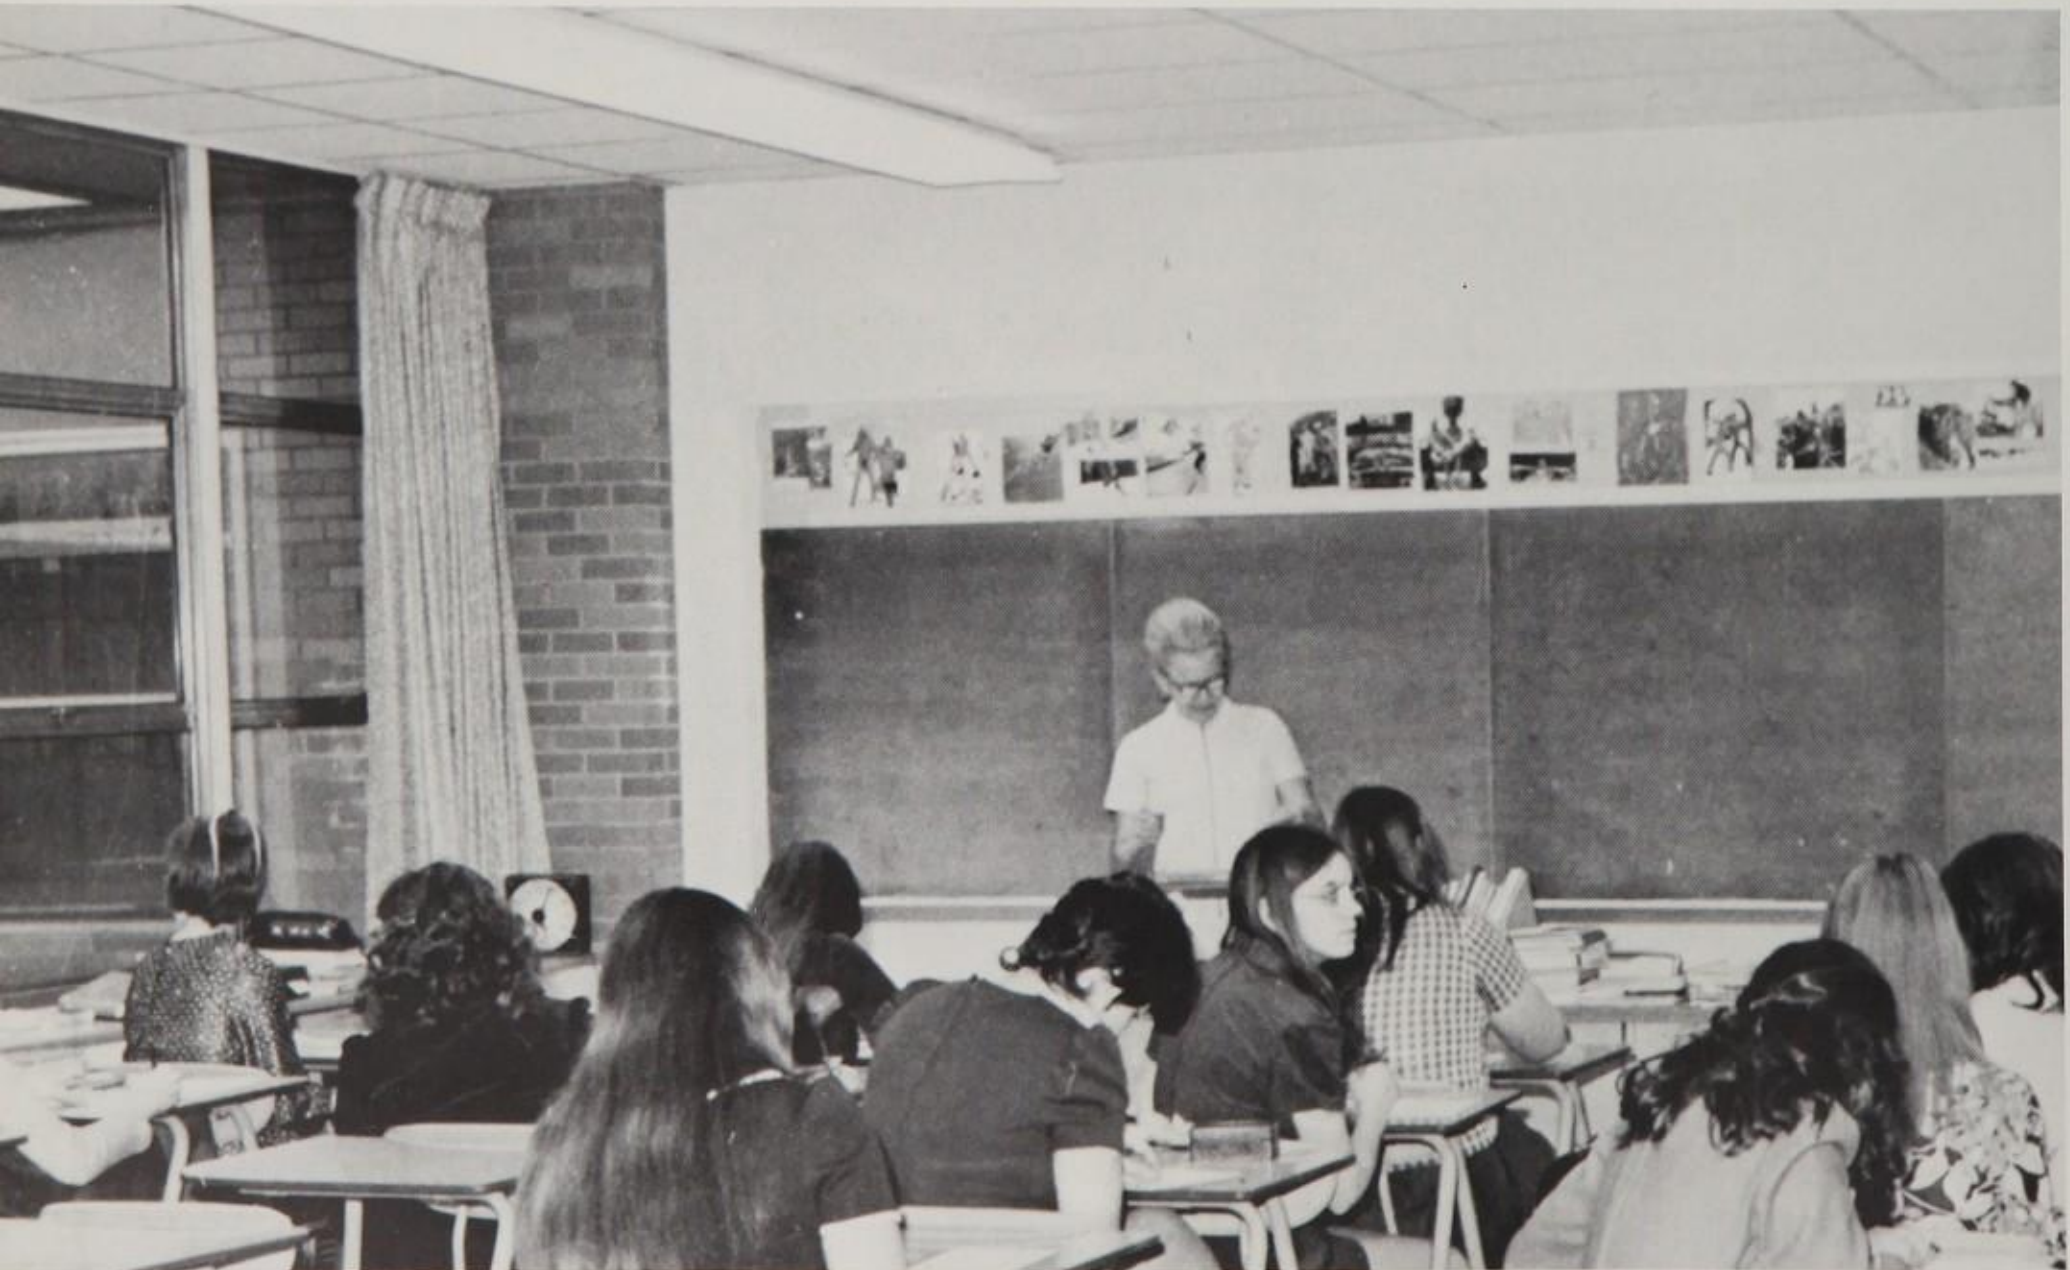

## The Key to Success

Students who elect the business course have a good opportunity to succeed in their chosen field. Typing, shorthand, bookkeeping, and accounting are basic, and a new course "stenotype" has been offered to broaden the scope of Hopewell's business education. Academic students can also elect personal typing or notehand. Senior girls get professional experience if participating in the "Office Practice" program which enables them to practice and learn in an actual secretarial position.

**This Page: Top:** Jackie Farber practicing speed and accuracy in typing. **Bottom:** Dictation in Mrs. Stones shorthand class.

**Opposite Page: Top Left:** Paula Vass practices on an electric typewriter. **Top Right:** In Mr. Collela's class. **Bottom Left:** Barb Awad collects her thoughts. **Bottom Right:** Chelvonne Hollins digs into an assignment.

## A Strong Foundation

In order to become a contributing member of society, one must have command of his own language. English offerings at Hopewell include one half semester of grammar and one half semester of literature. Other courses, such as Creative Writing, Reading, and Journalism, provide the student with opportunities to specialize or improve in certain areas. Advanced English students can participate in the Independent Study program.

## Linking Past and Present

Whether the subject is World Culture, American History or P.O.D., a history course provides the student with an effective method of viewing the past in light of the present. The study of History enables the student to evaluate the actions of those who lived in times past, and apply that knowledge to create a better world tomorrow.

**Top:** Sophomores listen as Mr. Veights explains a concept in World Culture. **Center Left:** Judy Black waits for the bell near the end of class. **Center Right:** Florence Bargestock concentrates in Mr. Markovich's class. **Bottom:** Seniors pause during Mr. Kanitra's P.O.D. class.

## Communicate . . .

As the world seems to shrink beneath our feet as a result of advances in technology, the ability to communicate in another language has become an important factor in achieving world peace. To promote interest in the study of foreign languages, the Language Department sponsored a "Language Week." As well as learning to speak, read, and write in either German, French, Spanish, or Latin, students become familiar with ideas, cultures, customs, and traditions of nations other than our own.

**This Page:** Top: Mr. Gonzales preparing to begin class. Center: Mr. Longo carries on a discussion in French I. Bottom: Checking a definition in Latin.

## The Question of Precision

Here at Hopewell, students may elect their course of study in mathematics from a variety of different courses offered: General and Business maths, for those students planning on entering business or Technical fields; Algebra's I and II, Modern Geometry, Advanced Math, Algebra, and Trigonometry, and Calculus are offered to those students interested in entering college. Also, an opportunity for an independent study program is open to

those advanced and experienced students. The study of Mathematics not only present challenges to the student in problem solving, precision and accuracy, but also provides an essential understanding for daily life.

**Right:** Two sophomores discuss a problem in Miss Runyan's class. **Center:** Mr. Horchak develops a theorem in Geometry. **Center Right:** Jim Kubera engrossed in a geometry solution. **Bottom:** Students try to grasp an important concept.

## The R.O.T.C. Way

The Reserve Officer Training Corps, generally known as R.O.T.C., helps to build the minds and bodies of our future military leaders. Learning commands and taking commands are skills that help in the main purpose of this program — to build strong character and teach self-discipline. Courses in Aerospace Education are offered and through worthwhile field trips to military installations and

practicing of various drills, they develop the knowledge of the service of the Air Force. Experience is necessary for effective leadership in military service. Hopewell's R.O.T.C. provides that experience.

**Left:** Victor Potts draws a diagram on the board. **Below:** R.O.T.C. students during a class period. **Bottom Left:** Practice makes perfect. **Bottom Right:** Lt. Col. Schultes in his office.

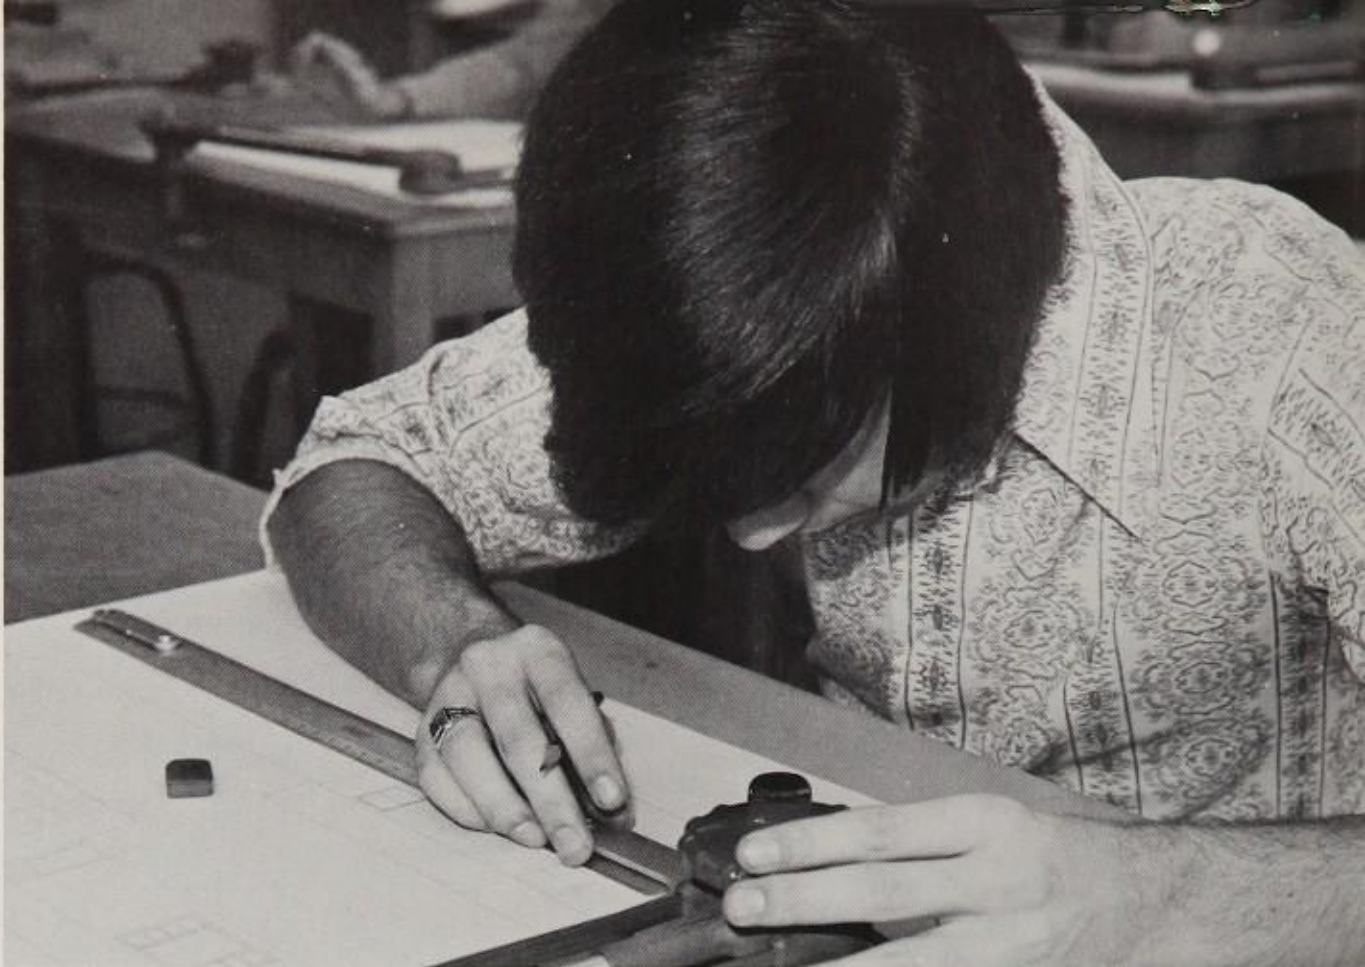

## Preparing for Tomorrow

Gaining experience for the future is an integral portion of one's education. Students who enroll in Home-Ec, Industrial Arts, or Drafting not only develop skills in their respective areas, but also prepare themselves for further education or immediate employment after graduation. These students have the opportunity to design, create, and view their own personal projects which could someday bring in a profit or begin a business.

**Top:** Carl Moskala diligently works on an assignment. **Center Left:** Check equipment in the metal shop. **Center Right:** A drafting class hard at work. **Bottom:** Jill Stotler and Harriet Anderson discuss a home-ec project with Mr. Gromo.

## D.E.C.A. Is Involved

Consumer protection, merchandising information, business law, and on the job training. Distributive Education classes explore the world of advertising and sales. Often preparing the student for a career in the sales world. Seniors have the opportunity to seek outside employment, and members of D.E.C.A. can put their knowledge to use while competing in various D.E.C.A. contests.

**Top:** Students pause prior to viewing an informative film. **Bottom:** Mr. Mikush lectures on the pros and cons of purchasing men's clothing.

## Strength in Mind and Body

Preparing the body both physically and mentally is the purpose of the health and physical education program at Hopewell. Health is taken during the junior year, teaching the student in areas from personal hygiene to first-aid. Physical education keeps the students physically fit by having them participating in such activities as football, basketball, gymnastics, square dancing, and handball. Co-Ed activities in volleyball have added a new dimension to physical education classes.

**Right:** Mrs. Data's health class worked on an assignment in class. **Bottom:** Girls play crab soccer with the cage ball.

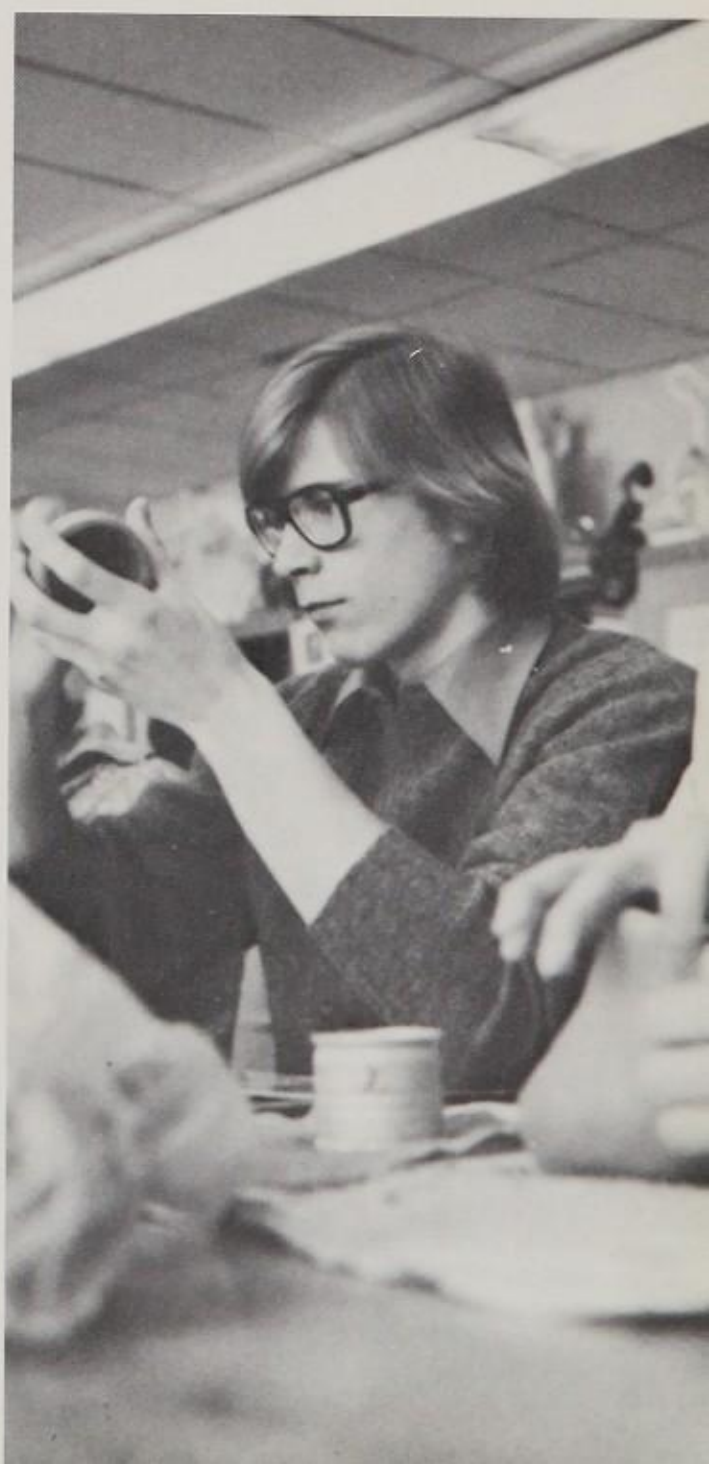

## Color, Form and Design

Art brings out the special creativity of a student. Students at Hopewell may paint, sketch, or sculpt to round out their artistic talent. They can express themselves by using the techniques of the old masters or by using the ideas of modern artists. Hopewell art students can place their works in competition with students' from other schools in different contests. Art course prepare students for careers ranging from illustration to commercial art.

# Exploration Through Science

Students find some of the answers to the questions of our fast-moving world through the field of science. Hopewell provides one of the most advanced science departments in the country. Starting with the required Biology class as a sophomore, students have an excellent opportunity to continue with a wide range of sciences throughout their high school years. They can pursue their interests in the biology field which will help them to further their education if considering a nursing or medical

career. If Chemistry is a choice of the student, this department also offers a highly selective course of study. Nuclear science, a course in the study of atoms and radiation, was started this year under the supervision of Mr. Coe.

## Experiments in Responsibility

Hopewell's independent studies are especially designed for the advanced student. They provide an excellent opportunity for the college-minded student to experience work on his own. These classes are set up so as to benefit the student in the field in which he plans to continue his education. Each academic class offers an independent course of study from English and Social Studies to the sciences. Independent Social Studies often participate on field trips to further their specialized study.

**Right:** Terry Trembath and Kathy Lolly in the chemistry supply room. **Below:** Independent English Students and Mrs. Finnerty enjoy an amusing anecdote.

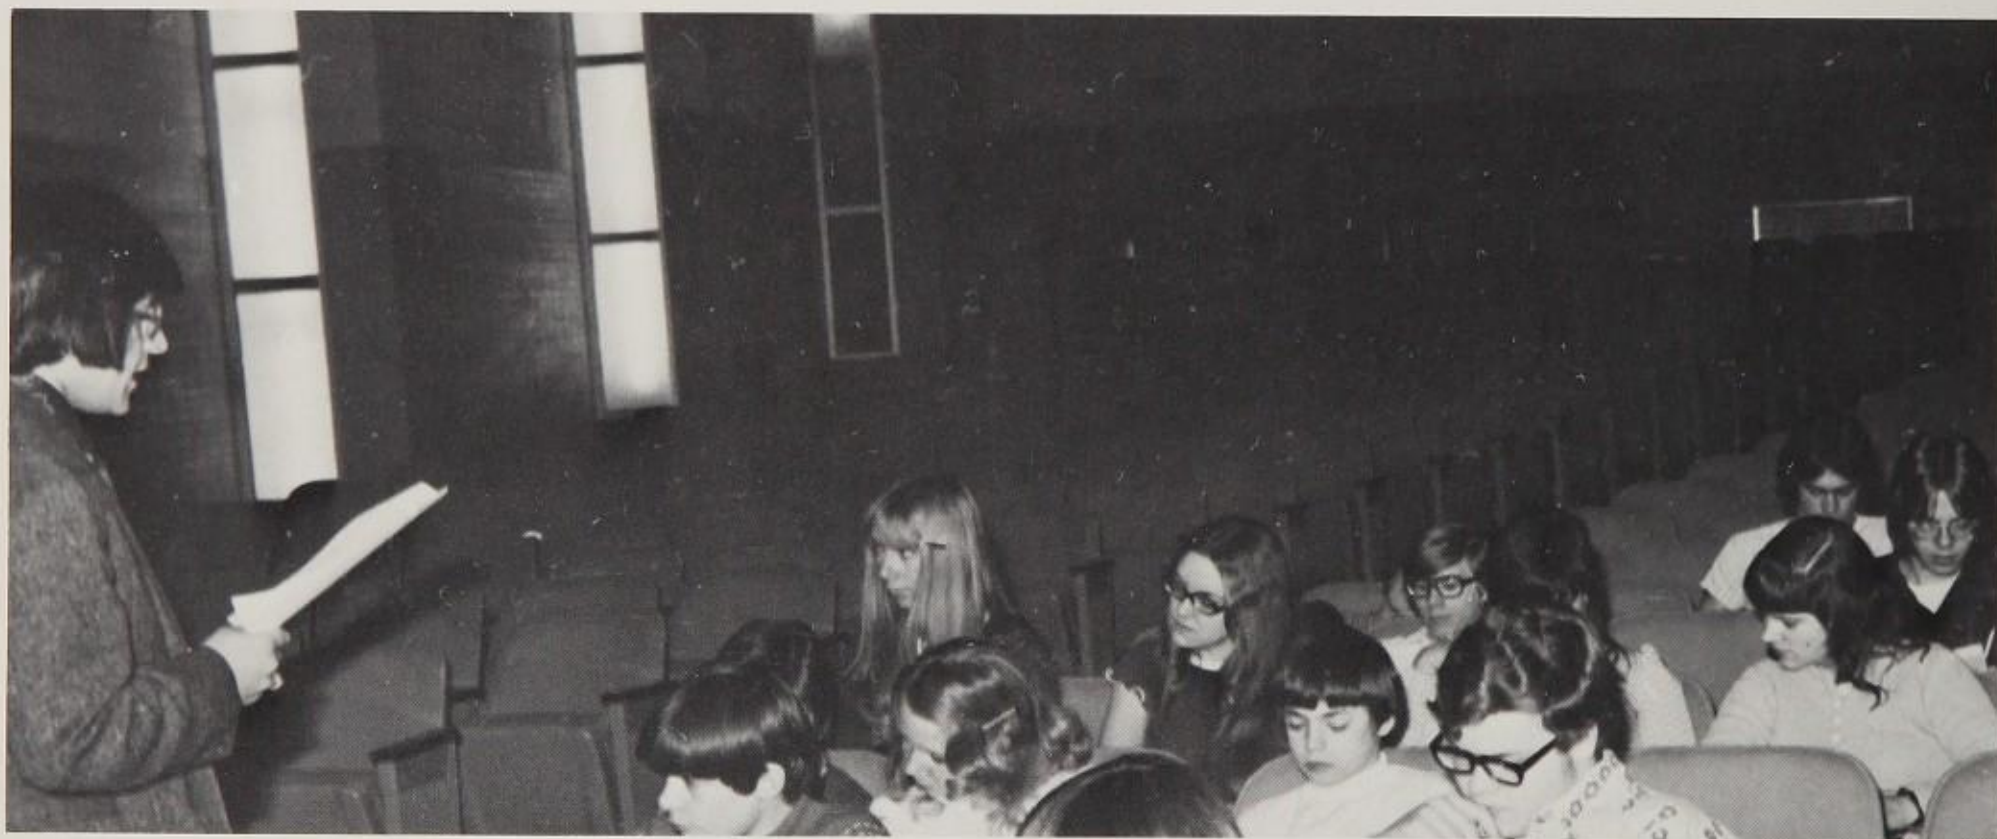

**Top Left:** Independent Social Studies students listen to John Hoffacker express an opinion. **Top Right:** Laverne Liberatore, Janet Morrow, and Elaine Galzerano pause while examining new English materials. **Bottom:** Mr. Longo leads a discussion in Independent French.

## Bridging the Gap

Besides a generation gap, there is a communication gap that exists today. In Drama and Speech, students are taught how to express themselves in a clear concise manner, and to have experience on the stage. Speech classes can learn about world affairs while participating in the mock "United Nations." Drama students culminate their activities by presenting the annual spring play.

**Top:** Mr. Thomas helps Terri Figley and other drama students with their presentation of Peter Pan. **Center:** Speech students listen as Mr. Thomas brings out a fine point contained in speech. **Bottom:** Drama in the round.

## The Sound of Music

Students who have an interest in music or its origins can fulfill their desires by enrolling in Band, Chorus, or Music Appreciation. These courses supply the student with an adequate background in the music world, and in the case of Chorus and band, enables the student to participate actively in the creation and production of musical programs for the school and public.

**Left and Center:** The brass section practices during class. **Bottom Left:** Music Appreciation students display photos of famous musicians. **Bottom Right:** Mrs. Gardner directs the chorus.

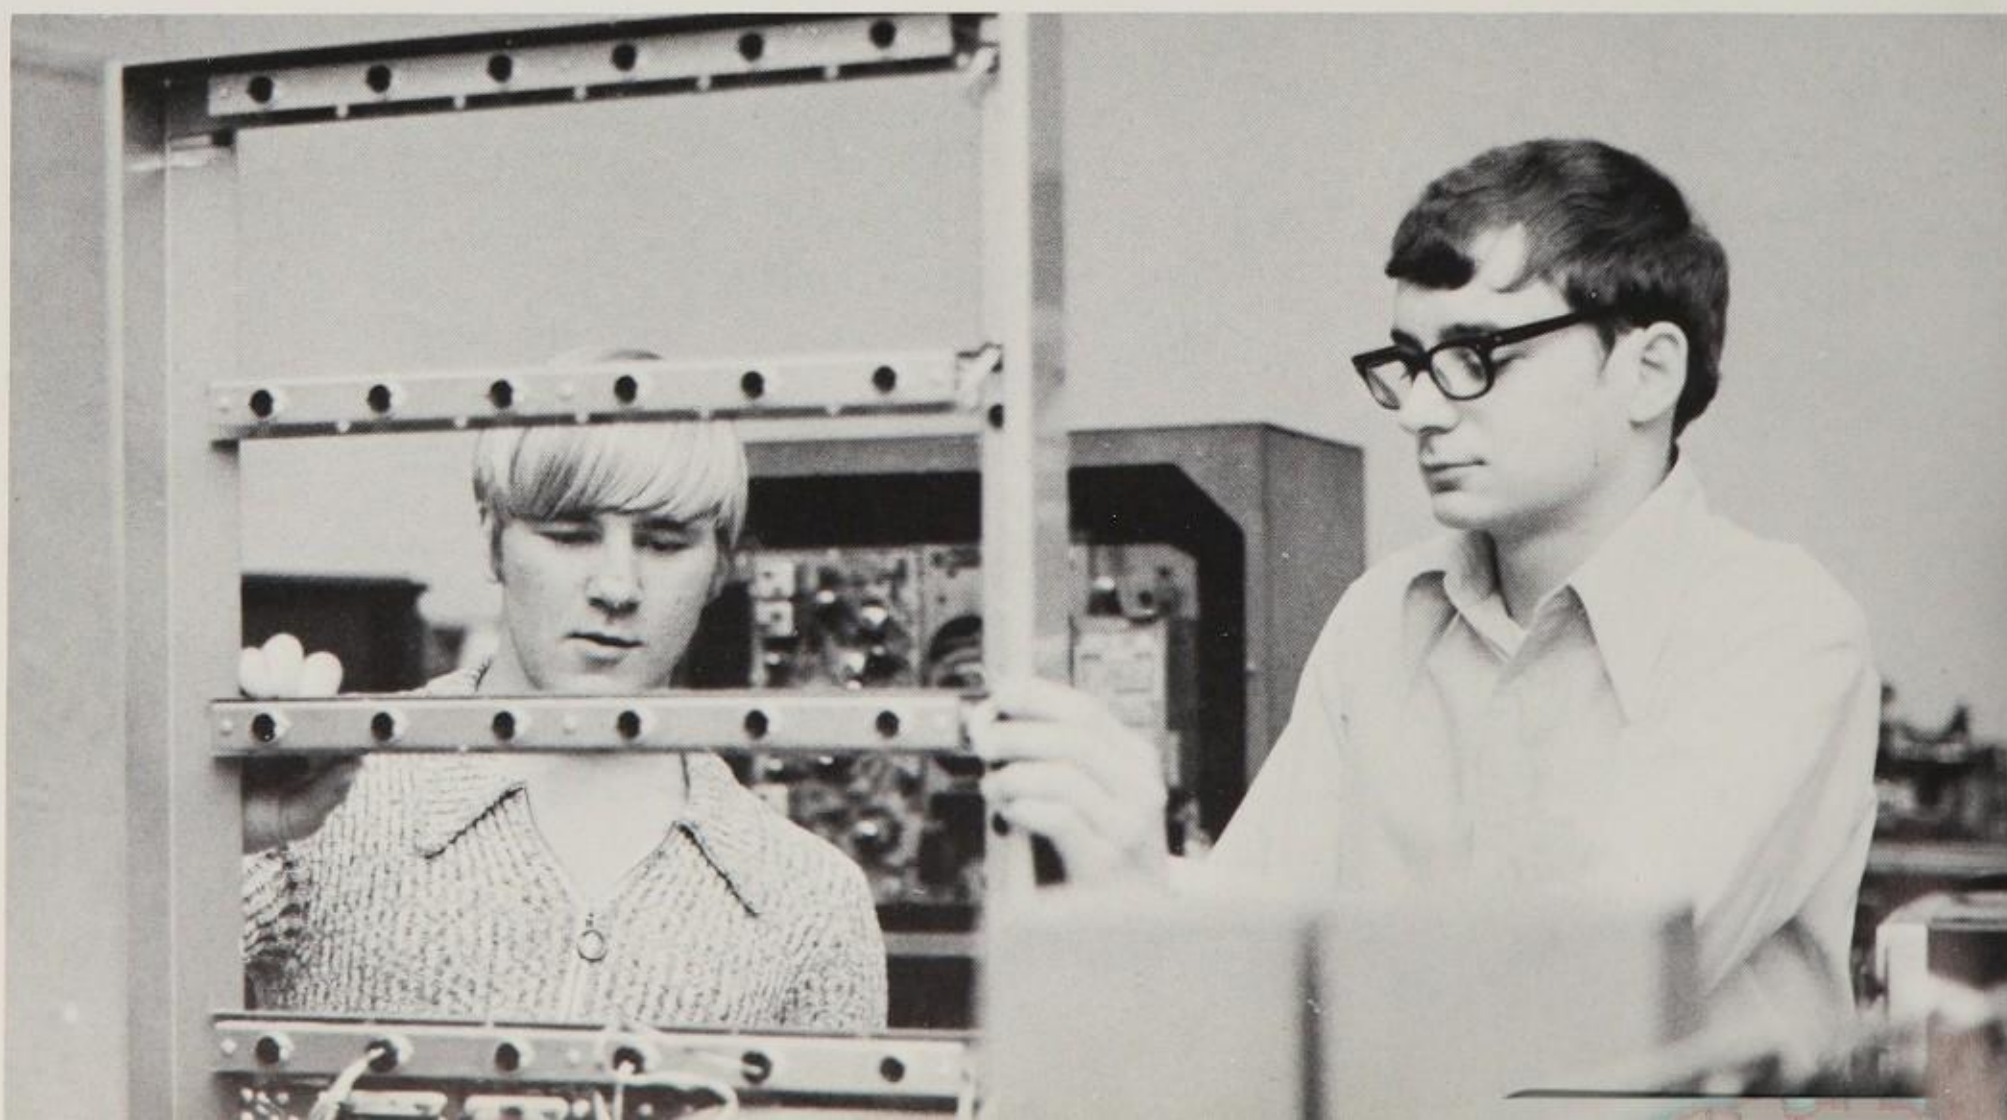

## Vocational Education

Along with many other schools in the area, Hopewell participates with the Parkway program. Starting in their junior year, students attend classes either in the morning or afternoon. Parkway offers many vocational opportunities not available in the school's curriculum, and offers students an alternative to college.

**Right:** John Rager, John Sperduti, and Mat Kwitowski pose with their project in pipefitting. **Below:** Mike Burianik, Judy Stepovich, Janet Mencher, George Brunton, and Kevin Kerns in the horticulture greenhouse. **Bottom:** Jim Katus and Frank Lawyrk work with some electrical devices.

## A New Idea

Under the supervision of Mr. Wagner, a new program was instituted at Hopewell — Graphic Arts. Students have to opportunity to engage in silk screening and photography, and employ the facilities of a new dark-room located at the school. Other projects which use the various concepts of graphic arts are attempted throughout the year.

## The "Upstair's" Administration

The "Upstair's" Administration for the 1972-73 school season was led by Mr. John Waters, principal. Mr. Stanley Yukica, assistant principal, took a mid-year sabbatical leave. His position was filled by Mr. Donald J. Pierce, acting assistant principal.

## The "Upstairs" Secretaries

These people are the ones that can be found in the High School office every day. Along with their regular job as secretaries, they are always willing to help the students with problems of locating another student or whatever. Their services have proved invaluable in the last year.

**Top:** Mrs. Ella Zimmerman. **Bottom Right:** Mrs. Virginia Smith. **Bottom Left:** Mrs. Mary Kosmal.

## "The Guiding Light"

The guidance counselors provide a strong guiding force for the students at Hopewell. Their main job is to prepare the seniors for their future — whether it be a job or further education. They also aid in the juniors and sophomores selection of classes for the next year.

**Top:** Mr. Nusser, Mr. Walley and Mr. Urban pause in their work. **Bottom Left:** Mr. Urban and Mr. Walley carry on a lunch conversation. **Bottom Right:** The guidance department at work.

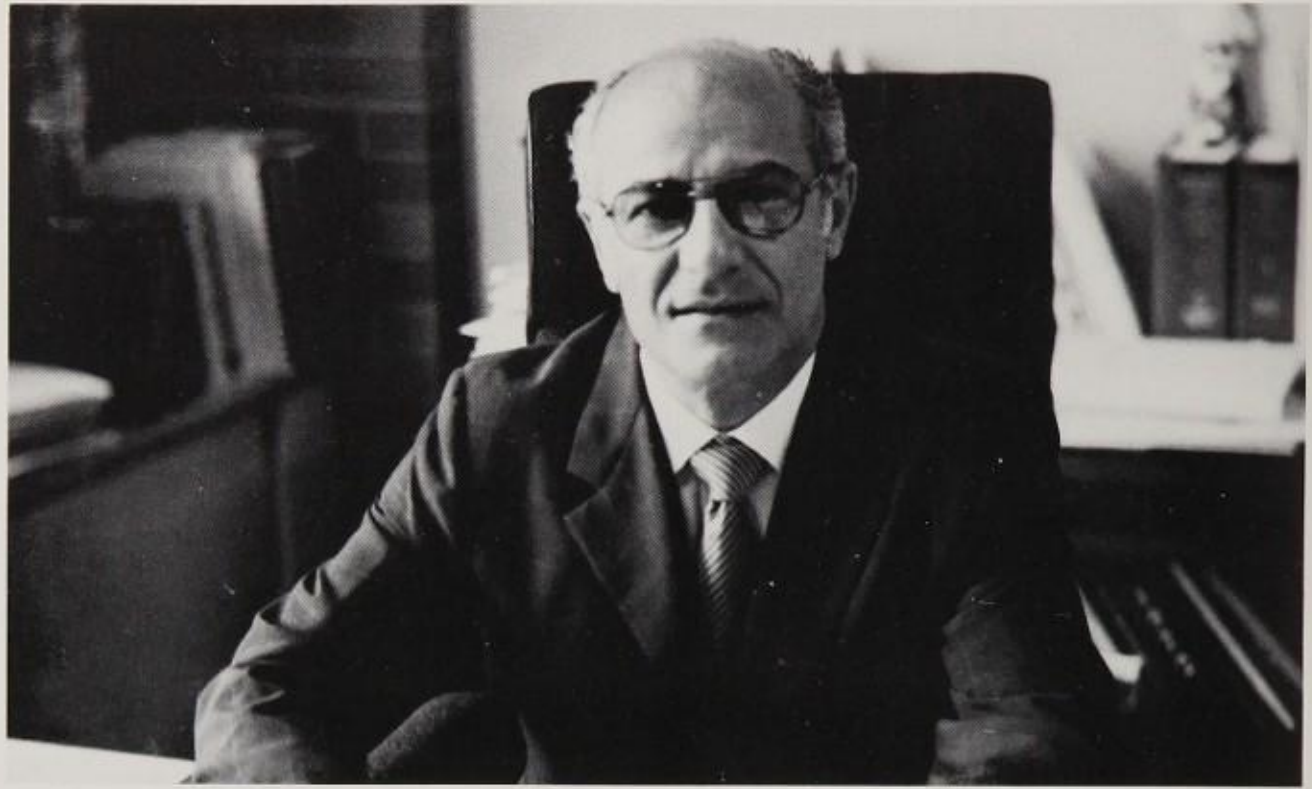

## Administrators on the Scene

The administration of the Hopewell Area Schools for the 1972-1973 school year was headed by Mr. Camillo A. Bonomi, Superintendent of Schools. Mr. Steve J. Mulik, served as Assistant, with Mr. Donald D. Kratzert serving as Administrative Assistant.

**Top Right:** Superintendent Bonomi. **Center:** Administrative Assistant Kratzert. **Right:** Mr. Kratzert staples away diligently. **Bottom:** Mr. Bonomi takes time to smile for the camera.

## "Downstairs" Secretaries

The "downstairs" secretaries provide many varied and essential services for the school, ranging from running the printing press to typing and filing. Their work is essential to the entire school system.

**Top: Seated:** Mrs. Maravich, Mrs. Salay. **Standing Left to Right:** Mrs. Donkin, Mrs. Shuck, Mrs. Werme, Mrs. Curtis, and Mrs. McWilliams. **Bottom:** Mrs. Curtis glances up for a moment.

**Top Left:** Mrs. Werme writes diligently. **Top Right:** Mrs. Salay smiles while sorting papers. **Bottom:** Mrs. Shuck carefully files some papers.

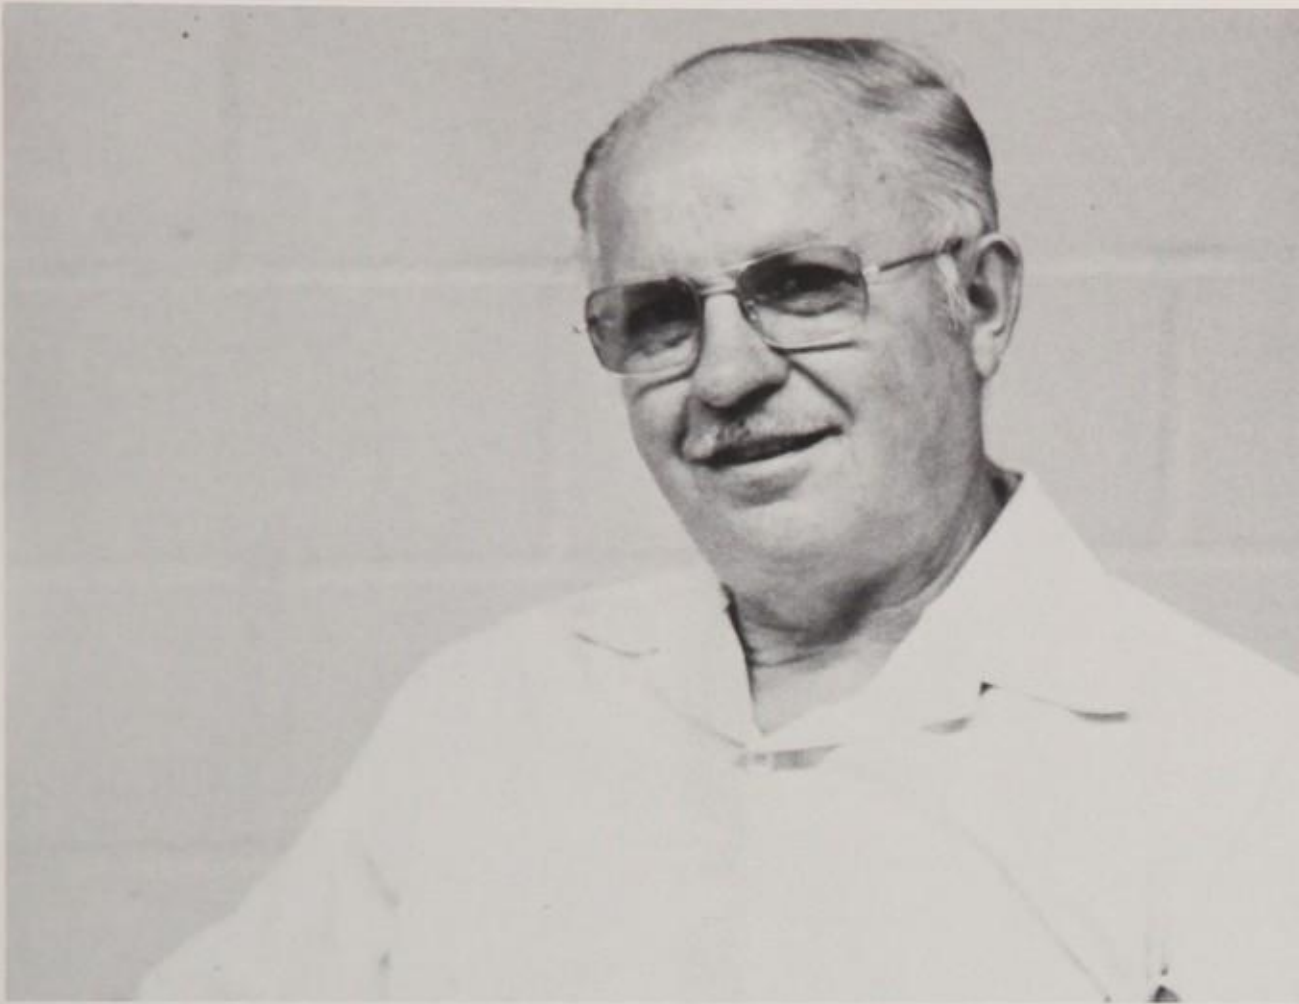

## The 1973 Decision Makers

The school board is the major factor in decision making. Comprised of twelve members, the school board, along with the administration, combine their efforts to provide the best educational curriculum for each individual student in the district. **School Board Members: Front Row Left to Right:** Dr. Milton J. Edgar, Mr. Camillo Bonomi, Mr. Robert N. Zappie, Mrs. Lillian Curtis, Mr. Sam J. Taormina. **Second Row:** Joseph J. Cafrelli, A. Gay Shinaberry, Lawrence C. Mezmar, Mark Hilliker, Gaze Yoko. **Missing from picture:** Mr. Robert D. Cleary.

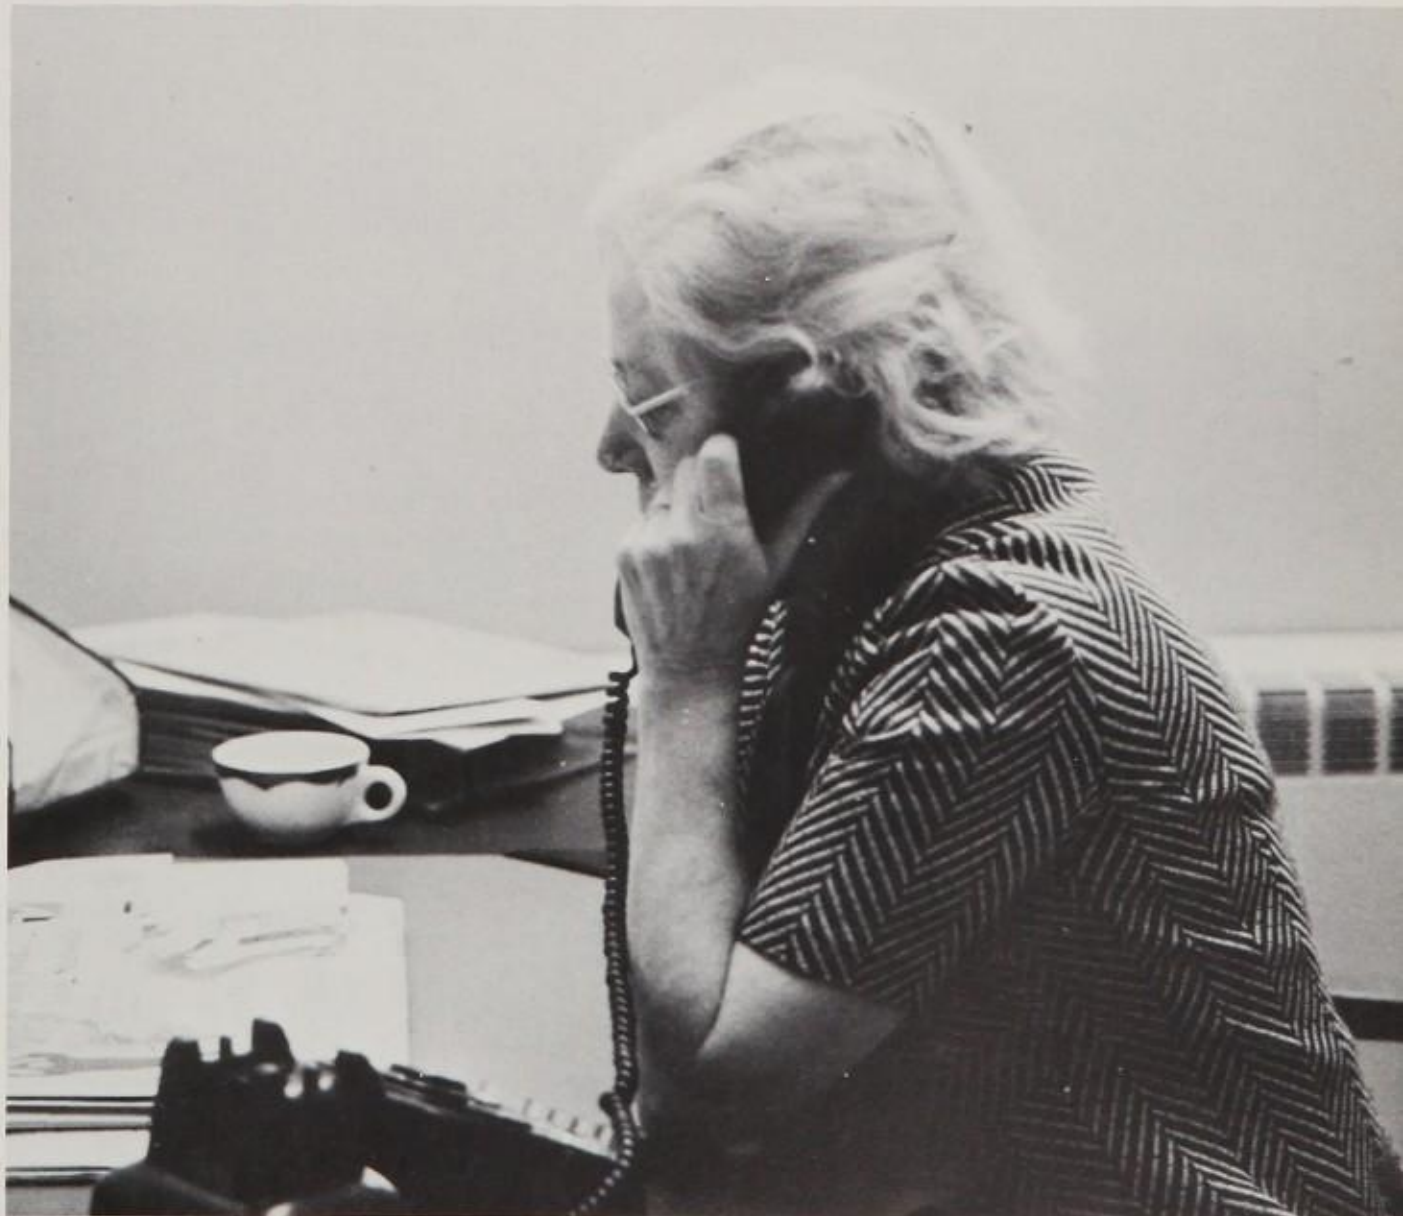

# Unseen Supervisors

The supervisory personnel of Hope-well includes the divisions of dietet-ics, audio visuals, and maintenance. Although we are rarely aware of the amount of work these people do, without them our school system would not run smoothly. Their job involves co-operations between the Jr. High, Senior High and the ele-mentary Schools.

**Top:** Mr. Joseph Turzak. **Bottom Left:** Mr. Robert Casoli, Audio-Visual Supervisor. **Bot-  
tom Right:** Mrs. Jane Roberts, Dietic Supervi-  
sor.

## "Chow Time!"

"Chowtimes" for the "chowline" of hungry students is efficiently planned by our reliable staff of cooks. Throughout the entire school year our cooks prepare well balanced meals for the three lunch periods for a majority of the students. They also prepare items for students who do not want to buy an entire meal.

**Top:** "Charge" for the chow line. **Bottom:** Friday and the last meal of the week.

**Top Right:** Mrs. Smith slices buns for submarine sandwiches. **Top Left:** Mrs. Guisler works quickly and diligently to prepare lunch by fifth period. **Bottom:** Unpacking food may not be a culinary art, but it is necessary.

## What are you doing after school?

Some of your friends will be going to college, others to jobs. If you haven't made any plans yet, consider a job with today's Army.

A job that will start you at \$288.00 a month with free meals, housing, medical and dental care, and 30 days paid vacation.

A job where you can learn a skill. We have over 300 job-training courses taught by excellent instructors, in good schools, with the finest equipment around.

A job that can become a career in the Army or in civilian life. A job that gives you a chance to travel, to live and work in places only visit, like Europe, Hawaii, Panama, Alaska.

And with our delayed entry option, you can sign up TODAY for the job training you want and report any time within the next six months.

Wouldn't you enjoy your summer more if you knew where you would be in the fall? See your local Army Representative.

Wondering Why  
Sitting here and wondering  
Why there has to be death . . .  
Wondering why people we knew  
Have already breathed their last breath . . .  
Wondering what's the sense of it . . .  
Why people have to die,  
Wondering why all we can do  
Is think about death and cry.  
"What can we do?" we always ask  
As we sit and think and sigh,  
And "nothing" is the answer we always get  
As we sit and wonder why.

### Remember

The years will slowly begin fading,  
All-too-soon they will be gone,  
Leaving us only the memories  
which will always linger on.  
And we will always remember  
What happened here and now  
As we realize that these years were best  
Always, some way, some how.

March  
To a goofy  
chuck I knew  
year but just got to  
know this year. I don't  
know what to write so I'm  
not writing anymore. Good luck  
with that certain someone whoever  
it may be RMA

P.S. Don't get  
too high!!

Marcia,  
so a good friend  
I've known for years.  
Remember all the good  
times we had in the past. Hope  
we're friends in years to come.

Marcia,  
To a nice  
girl I thought  
I would win me  
over. Good - Luck!...
